Tour Payments / Schedule Reminder

The tour fee total is \$3,500. After the \$200 deposit, four monthly payments of \$825 are due January 10, February 10, March 10, and April 10. Late payments impact our ability to hold contracts, so huge thanks in advance for paying your installments early or on time.

Deviation form now available

Tour participants planning additional time in Europe and not returning with the tour group on June 27, will want to coordinate their return travel

arrangements through our air handler. This is called a "deviation" and involves additional steps with the airlines but allows the tour participant's return ticket, purchased through the tour fee, to be "traded in" for an alternate return itinerary.

The [Deviation Request Form](#) is now available. Please note: There are a limited number of deviation requests available, and they will be filled on a first come, first served basis.

Reminder: Families desiring to travel together after the tour will need to plan their itinerary to include picking up their singer in Edinburgh late Thursday evening, June 26, around 10PM. Unfortunately, we are not able to accommodate earlier pick ups.

What happens next?

- MYC will finalize the chaperone roster and communicate to applicants by November 3.
- Watch for Scotland 2025 emails in your inbox--the subject line will always begin this way for easy searching. Thank you for paying attention and reading everything we send.
- We continue planning our itinerary and the myriad details that comprise our tour! We can't wait to watch Scotland 2025 unfold and we're so excited `{{first}}` will be part of it.
- Finally, please save the date: We are planning a very festive official tour kick-off event on **Saturday evening, January 25, at MYArts**. More details to come!

Let's go to Scotland!

Your Bravehearts,

Lynn, Mike, Eliav, Margaret, and Randy
