Happy Wednesday, Happy March!

Are you getting excited? (YES!)

We will be on our way to Scotland in just under 13 weeks! (Wheeeee!) ✈️ 🇬🇧

THANK YOU for paying attention to every email.

There is NEW information to read and process below including a time-sensitive form submission request to finalize our ticketing with KLM for ALL TOUR MEMBERS: singers, chaperones, and staff.

Thank you for reading carefully and reaching out to us with any questions.

Travel / Ticketing Data Form

Due by April 10

The purpose of this form is to 1) collect each tour member's specific ticketing data and 2) to collect a copy of each tour member's passport and ETA confirmation email.

Everyone who has their passport in hand should complete the [ETA application](#) prior to submitting this form.

If you do not yet have your passport in hand, (about five of you), please complete the first section of the form by April 10 and we will follow up with you for your passport copy and ETA confirmation in May.

Please work with your student to ensure this form is completed accurately to avoid delays at airport check-in and security.

If you have any questions, please ask!

Tour Wardrobe Try On and Form Reminder

Sizing samples of our everyday tour attire are available to try on for one more rehearsal on Sunday, **April 6 in Studio 1A from 3:00-6:30PM.**

If you have not yet tried on the samples to determine your sizing, **please make a plan to complete this on April 6. Returns and exchanges are not possible** so determining the correct size for each tour participant is vital.

AFTER you've determined the sizes needed, please complete the **Tour Wardrobe Form due April 6.** We need a response from ALL TOUR MEMBERS: singers, chaperones, and staff.

These wardrobe items are included in your tour fee. Additional pieces for family members and tour enthusiasts will be available for purchase at your cost when the MYC Scotland Store opens after April 6.

A Note for Deviators

As you are making your travel plans, please be reminded that the window to pick up your singer at the end of the tour is Thursday evening, June 26th, at [Pollock Halls, our university housing in Edinburgh](#). Deviating singers will be packed and ready to check-out at 10PM. We will provide specific instructions for pick up in June.

Chaperones and Staff who are deviating are committed to staying with the tour group through check-out and bus loading to the airport in the wee hours of Friday morning (June 27). You have the option of riding the bus with the group to Edinburgh airport OR waving goodbye to the loaded buses as they depart Pollock Halls, and then catching a few more winks of sleep, checking out of University housing at a more reasonable hour on Friday morning.

Rehearsal Schedule / Family Meeting Reminder

As we move into a very busy time, we ask that you please review and make sure you have noted on your calendar [the required tour rehearsal and family meeting schedule for June.](#)

Looking Ahead

In **April** we will be requesting health and medication information for your student to support their care and comfort while they are on tour with MYC. This request will include general health, allergy information, food sensitivities, etc.

Thank you for submitting the [Tour Wardrobe Form by April 6](#), and the [Travel / Ticketing Form by April 10!](#)

As always, please reach out to us with any questions.
