Happy Sunday, All!

Have you noticed the uptick in Scotland Tour emails? A lot will be happening in March and April and your timely reading and responding is greatly appreciated. Thank you, as always, for reading carefully and reaching out to us with any questions.

TOUR WARDROBE SAMPLES

Sizing samples of our everyday tour attire are available **starting TODAY, March 9**, for singers, chaperones, and staff to confirm the sizes needed for comfort and fit. There are three pieces to try on and determine your sizing:

1. short-sleeve T-shirt
2. long-sleeve T-shirt
3. full-zip hoodie

Samples will be in **Studio 1A from 3-6:30PM** for three rehearsal Sundays: March 9, 16, and April 6. **Because returns and exchanges are not possible**, determining the correct size for each tour participant is vital. Please take advantage of the samples to determine the size you need in each piece--they are all different manufacturers.

AFTER you've taken notes on the sizes needed, please complete the [Tour Wardrobe Form](#). **Again, this applies to all singers, chaperones, and staff.** The form's due date is Sunday, April 6.

These wardrobe items are included in your tour fee. Additional pieces for family members and tour enthusiasts will be available for purchase at your cost when the MYC Scotland Store opens after April 6.

MARCH TOUR PAYMENT DUE

Thank you for your timely tour payments! The March installment is due by tomorrow, March 10. Please refer to your most recent tour statement emailed on February 18. If you have any questions, don't hesitate to reach out!

Looking forward to seeing you all later today!
